#### ABOUT THE BOOK

King Alfred The Great of Wessex lies dying, and his beautiful headstrong daughter, Elflaede, swears to continue her father's quest to drive the Vikings out of England. But, alongside bloodshed and battle, Elflaede must endure the jealousy of her brother Edward, the cruelty and callousness of her husband Ethelred, King of Mercia, and the surprising and forbidden love for her greatest enemy. In an age of superstition and fear, where bloody battles laid the foundations of the English nation, The King's Daughter is a powerful story of love and war, jealousy and betrayal - and the bitter choices of divided loyalties. *(This book was previously published as Lady of the Mercians)*
